### TYPICAL ITINERARY

You'll be given a brief overview of the session followed by a demonstration on chocolate making by a professional chocolatier.

Everyone will each make their own unique and individual ganache (cream/chocolate based filling) using a wide range of natural ingredients and will pipe this into chocolate cups.

We are also able to accommodate Dairy Free and other dietary requirements. Please let us know when enquiring.

Whilst chocolates are setting you'll be taught how to professionally decorate your chocolates with tempered chocolate using fine piping techniques.

After you have decorated your chocolates you will then put your new found skills to the test in a lolly decorating competition. We give a special prize for the best decorated lolly!

At the end of the session everyone takes home a beautifully packaged box of their very own chocolates (average 21 chocolates per person) and lolly, to wow friends and family. The bride is given a special gift too!
